## CHAPTER ONE – READING RESOURCES

Reading Skill	Activity
<b>Prediction</b>	Consider the following questions and make predictions about the contents of the book: <i>Who is Poppy? Where does she live? Who might Lord Ted be? Where is our story set? Who are the fairies?</i>
<b>Retrieval</b>	<p>What is Lord Ted's full name? (p1) <i>Lord Teddington of Bearshire</i></p> <p>What action caused Lord Ted to speak? (p2) <i>Being given a hug</i></p> <p>How old was Poppy? (p2) <i>Nearly 8 years old</i></p> <p>Whose farm was next to Grandpa's house? (p3) <i>Dave 'Jonny' Johnson's</i></p> <p>What did Nanny bring out to the garden? (p3) <i>Homemade Raspberry Lemonade</i></p> <p>What did Grandpa suggest Poppy did to help? (p4) <i>Collect and bring a bowl of salad to the table.</i></p> <p>What was the name of the pub/restaurant that Nanny suggested they might visit soon? (p5) <i>The Greedy Duckling</i></p> <p>Where did Grandpa suggest that they went on holiday? Why was Poppy excited about this? (p5) <i>Meadow Island campsite; she thought that this was where the fairies lived in Grandpa's story.</i></p>
<b>Inference</b>	<p>How did Poppy feel when Grandpa said she could finally meet Lord Ted? (p1) <i>Poppy was feeling excited as she had heard so much about his adventures with Grandpa. She was surprised that he still had the bear.</i></p> <p>How did Poppy feel when Lord Ted started to speak? How do you know that she felt this way? (p2) <i>Shocked, surprised, speechless, because she dropped Lord Ted.</i></p> <p>Why do you think that Poppy would wrinkle her nose when being called Popsicle? <i>She thought it was silly/childish but secretly she liked it.</i></p> <p>Imagine you are Lord Ted, you have been bought down from the bedroom for the first time in many years. How are you feeling whilst you are sitting in the sun with Poppy? (p4)</p>

## CHAPTER ONE – LET'S MAKE POPPY'S RASPBERRY LEMONADE

### Ingredients

- 3 unwaxed lemons, roughly chopped
- 200g (7oz) fresh or frozen raspberries, plus extra to garnish
- 125g caster sugar
- sparkling or still water, to serve

### Method

1. Place the lemons, raspberries, sugar and water into a blender
2. Blitz in the blender until finely chopped
3. Empty the contents of the blender into a fine sieve placed over a bowl
4. Push the contents through the sieve – pushing hard to squeeze out as much of the liquid as possible
5. Serve 1 part raspberry lemonade diluted with 2 parts sparkling or still water over plenty of ice, you can also garnish with extra raspberries and a few mint leaves
